For further information about the items listed below contact the suppliers who will be able to send you illustrated leaflets, current prices lists and other information. We recommend you look for suppliers who are members of the British Healthcare Trades Association (BHTA). Members of the BHTA sign up to a code of practice designed to eliminate 'cowboy' behavior and ensure the public can trust that members will give a good service.

Inclusion in this report does not imply any recommendation from the Disabled Living Foundation (DLF). No items have been tested by the DLF and all information is provided without legal responsibility.

Products
